and being desirous of subjecting said property to the restrictions, covenants, reservations and charges hereinafter set forth, each of which shall inure to the benefit of and pass with said property and each and every parcel thereof, and shall apply to and bind the undersigned, its successors and assigns, hereby declares that the above described property is held and shall be transferred, sold and conveyed subject to the following restrictions, covenants, reservations and charges, to-wit:

1. No building site contained in the lots within the Seventh Plat shall be used for anything other than residential purposes and no building on any of said lots shall be erected, altered, placed or permitted to remain on any building site in said Lots other than one detached single-family dwelling.
2. No building shall be located on any building site nearer to the front line of said building site than the minimum set-back line as shown on the recorded plat of the Subdivision.
3. No residential dwelling or dwellings, including attached porches, breezeways and garages shall be located upon any building site which shall not comply with the following basic yard requirements:

Minimum Side Yard:	7
Minimum Total Side Yards:	20
Minimum Rear Yard:	25

4. No building shall be erected, driveway constructed or swimming pool installed, placed or altered until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures and as to location with respect to topography and finished grade elevation. Said gradelings shall be in conformity with the adjacent building sites and shall not interfere with the drainage from adjoining building sites. No fence or wall shall be erected, placed or altered on any building site nearer to any street line than the minimum building set-back line unless similarly approved. The Architectural Control Committee is composed of J. Fred Adams, Charles W. Adams, Walter E. Hanson and M. G. Nelson, Jr. A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Committee, the remaining members shall, within 30 days of such vacancy, designate a successor. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The Committee's approval or disapproval shall be in writing. In the event the members of said Committee or their representative or successors fail to approve or disapprove such design or location within 30 days after building plans, specifications and plot plan have been submitted to them, or in any event, if no suit to enjoin the erection of such building or the making of such alterations has been commenced prior to completion thereof, such approval will not be required, and this covenant shall be deemed to be fully met. All submissions shall be sent to Charles W. Adams, 1750-D Wabash Avenue, Springfield, Illinois.

5. All utilities, including telephone, electric and television cables, other than for temporary service during construction, shall be underground. Transformers and distribution pedestals for main lines and houseleads shall be located only as approved by the Architectural Control Committee.

6. All compressors and cooling towers used in conjunction with central air conditioning, and all fuel tanks, including propane, oil or the like, shall be installed in such a manner as to contribute to the exterior beauty and planning of the dwelling and not to become an annoyance or nuisance to the neighborhood or adjacent property owners.

7. All construction must be diligently pursued to completion within a reasonable period. No building shall be occupied for living purposes which is not functionally complete throughout and which is not complete in detail as to the exterior, nor shall any building materials, paint or building equipment be exposed to the public view if occupied as a dwelling. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any building site at any time as a residence, either temporarily or permanently.

8. No building site owner or occupant shall permit any truck, commercial vehicle, boat or trailer, including without limitation, cargo trailer, campers, house trailers, mobile homes, or carryalls to be parked or stored on the

building site, in the driveway or in the street in front of or along side of the buildings site. This shall not prevent the building site owner or the occupant from storing a truck, commercial vehicle, boat or trailer owned by such owner or occupant or used by him in his business in the garage on the premises.

9. No satellite dish to be used for television reception shall be located upon any building site in the Seventh Plat.

10. No machinery, appliance or structure of any kind shall be permitted upon, maintained or operated in or on the premises of any building site for the facilitation and carrying on of any trade, business or industry.

11. An owner of any vacant building site shall cut the weeds and maintain the same in a clean, sanitary and proper condition.

12. No noxious or offensive activity shall be carried on upon any building site, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

13. No garbage, waste materials, leaves or combustibles shall be burned upon any building site, street, or common area.

14. No sign of any kind shall be displayed to the public view on any building site except one sign of not more than five square feet advertising the property for sale or rent by the property owner. The Architectural Control Committee shall approve any and all builder's and subdivider's signs.

15. No spirituous, vinous or malt liquors shall be sold or kept for sale on said premises.

16. No animals, livestock or poultry of any kind shall be raised, bred or kept on any building site, except that dogs, cats or other domesticated household pets may be kept provided that they are not bred, kept or maintained for any commercial purposes. No dogs shall be kept on any building site until such building site is improved with an inhabitable dwelling.

17. Each owner of a building site, or a building unit situated upon said site, shall by reason of said ownership be a member of the Koke Mill East Homeowners Association and shall abide by the rules and regulations established by the Association including liability for his proportionate share (on a flat fee basis) of the sum required for the proper care and maintenance of the common areas within the subdivisions designated as Koke Mill East Planned Unit Development First Plat, Second Plat, Third Plat, Fourth Plat and Seventh Plat or such reasonable assessments as shall be determined by the Homeowners Association and which said sum or sums, if not paid, shall constitute a lien upon the property or unit as herein defined.

18. No building site shall be used or maintained as a dumping ground for rubbish, and all trash, garbage or other waste shall be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition and appropriately screened.

(8/14/1986)

19. These covenants shall run with the land and shall be binding upon all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by sixty-five percent of the then owners of the building sites has been recorded, each building site having one vote, agreeing to change said covenants in whole or in part.

20. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants, either to restrain violations or to recover damages.

21. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

"Building site" as used in this instrument means all or any part of a single lot or tract of land upon which a dwelling is located or intended to be located.

"Unit" as used in this instrument means any dwelling located within the subdivision.

The undersigned, TOWN & COUNTRY BANK OF SPRINGFIELD, Trustee as aforesaid, hereby confirms the easements for installment and maintenance of utilities and drainage facilities as created and shown by the recorded plat of said Subdivision.

IN WITNESS WHEREOF, TOWN & COUNTRY BANK OF SPRINGFIELD, AS TRUSTEE UNDER TRUST NO. TA-234, has caused its seal to be affixed hereto and this instrument executed by its Trust Officer and Loan Administrations Officer this 18th day of December, 1986.
